

STRENGTHS:

- Outstanding yield punch for silage and grain feed
- Early flowering, fast grain fill, early finishing hybrid
- Robust plant with good stalks and roots
- Performance stability with highly flexible ear type

MANAGEMENT TIPS:

- Limited movement south as it is a quick setup style hybrid
- Best suited for early planting operations
- Plant at medium population levels and fertilize well
- Adapted to wide array of soil types; caution on wetter soils
- Best utilization in zone and north of zone

AVAILABLE AS:
